## IPA English Phonics Fun 英語拼音 | PN to K3

Kindergarteners can pick up native accents in a much faster speed than adults and it is therefore a golden period to learn a new language. With appropriate guidance, they can effectively grasp proper pronunciation and acquire fluency in the language.

This course teaches children phonics through games, songs and play. As students progress, they will build solid reading and listening habits.

It also prepare students in the areas of spelling and dictation.

幼兒處於學習外語的黃金期，如獲得適當的指導，能有效掌握良好的英語發音及朗讀流暢英語的能力。本課程通過故事、歌曲和遊戲讓幼兒學習拼音。透過學習，讓幼兒養成良好朗讀英語故事及聆聽有聲書的好習慣，從而有效提升英語。

閱讀及聆聽能力，幫助兒童將來串字及默書作好準備。
